# **SAVE WADSWORTH ELEMENTARY SCHOOL!**

**Celerity Charter School has been given approval to take over classrooms and divide up the Wadsworth Campus! Instead of helping Wadsworth, the School Board has decided to take away resources and give them to another school. Currently, Wadsworth is a Four (4) track school due to overcrowding, and yet the district and Celertiy Charter want to take classrooms away and put MORE students on our campus!**

**A Charter School on Wadsworth's Campus means less classroom space for Wadsworth Children. It means a divided campus and dividing the very limited resources Wadsworth has. Wadsworth must split the Nurse, Custodians, Lunch Staff, afterschool programs and more!**

**Please Come, Inform yourself, and let your voice be heard.**
